3

Jeux de morpion.

Choisis une case, fais y une croix et effectue le calcul mental.
Si c'est juste, tu peux laisser ta croix.
But du jeu : aligner 3 croix horizontalement, verticalement ou en diagonale.

$76 - 9 =$	$54 - 9 =$	$174 - 9 =$
$832 - 9 =$	$2\ 315 - 9 =$	$90 - 9 =$
